

## CORE COMPETENCIES

MDabstract is a Healthcare Managed Services Company. Our integrated data migration, clinical abstraction and workforce optimization services are designed to safeguard quality data for the provider/patient at the Point of Care. Whether your care team is transitioning to a new EHR System, seeking to optimize clinic operations or launching a technology across your system of care we help you design and implement an effective plan that will safeguard data integrity and maximize productivity using our Best Practice Solutions. Our mission is to help you utilize meaningful data and improve quality in healthcare.

## PROBLEMS WE ADDRESS

- Lack of **Qualified Staff** for Data/Documentation Management
- Clinical intake **data unavailable** via interoperability at Point of Care
- **Lack of access to critical data** during and after an EHR implementation
- **Compromised Scheduling and Authorizations** for Surgery/Procedures
- Burden of **Routing/Filing** documents accurately & timely
- **Bridging Gaps in technology** when moving clinical data
- Integrating **acquired** NPI/MPI/Operational/Clinical data into existing enterprise technology
- **Low/no payment** due to poor documentation
- **Low Provider and Patient Satisfaction** concerns due to data/documentation workflow issues
- Concerns about **Quality and Integrity of data**

## Experience...

"MDabstract was fundamental to our data conversion's success. Our team is grateful to have a partner that understands our needs and is willing to assist in crafting the right strategy"

*JoAnn DiConti, Executive Director, Epic Implementations  
Providence St. Joseph Health*

"I would call MDabstract before entertaining any other vendor for migration services. They provided our health system with outstanding operational leadership on a daily basis during our Expanse conversion."

*Laurie Shannon, Director, Business Technology  
Major Health Partners*

"MDabstract is a valued partner to AdventHealth Medical Group. We entrust MDabstract with our projects, big or small and have had outstanding, top notch results. The main ingredient for the successful partnership with MDabstract has been communication, their professional team is open to any and all of the variations and particular nuances of a project with clear and prompt responses."

*Kelly Smith, Onboarding Practice Administrator  
AdventHealth Medical Group, West Florida*

"MDabstract listens to customers' needs and maps those needs to their extensive clinical acumen and data knowledge. Their recommendations yield successful solutions that positively affect the provider experience for better patient outcomes."

*Karen Green, CHCIO, Consultant  
Bxcellent Advisory Services*
